

Welcome

WELCOME

Pimlico State High School is a large co-education urban high school located in the eastern suburbs of Townsville, North Queensland. The school is proud to offer an extensive range of both vocational and academic subjects to both girls and boys, from Year 8 to Year 12. A comprehensive curriculum with a strong academic focus is a feature of the school. In the senior school we offer an extensive range of Authority and Authority registered subjects that provide a variety of pathways to university, further training and employment. Our school is well known in the community for our achievements in the performing arts, particularly music. We aim to provide a supportive environment to enable all members of our school community to develop to their full potential. We encourage individual responsibility, self-discipline and care and respect for others. The school has in place an enrolment management plan which aims to keep student numbers at 1450.

At Pimlico State High School, we are committed to providing all students with a quality secondary education.

We aim to : - Achieve excellence in teaching and learning

- Produce quality outcomes for all students
- Have a curriculum which helps students live productive lives
- Promote fair and equitable practices
- Encourage partnerships between students, teachers and parents

We are committed to:

- Always producing the best in the interest of students
- Providing quality learning experiences
- Accepting responsibility for the outcomes of our work
