Making a world of difference

Year 10 Subject Selection Form 2027

Surname: _____ Given Names: _____

Gender: _____ CARE Class: _____ EQ ID: _____

- Please consult the Year 9/10 Course Handbook for information on subjects.
- Students will be allocated to their preferences based on order of receipt of this form.
- Once a class has reached capacity, the next preference will be allocated.
- The Principal reserves the right to remove a subject if there are insufficient numbers to form a class.
- Students will be requested to reselect from the available subjects if a subject is not offered.

CORE:
All students study these subjects:
- English
- Mathematics
- Science
- Humanities / Global Studies
- Health & Physical Education

ELECTIVES:
Students will study two electives in Year 10. They will study these for the full year. Please refer to the subject selection book for prerequisites. If a student wishes to change their electives from Year 9, please indicate preferences below. Extension courses can only be selected if the Foundation subject was studied in Year 9.
