

Enrolling at Pimlico

Enrolment management

- Pimlico is an enrolment managed school
- Students residing in catchment qualify for enrolment
- Students outside of catchment can also enrol through a number of options

An interactive version of the school's catchment area can be accessed from our website

Enrolment management

- Siblings of students already enrolled at Pimlico for 2024 – not including siblings enrolled via the Music Excellence Program
- Students whose parent or legal guardian is employed by Pimlico SHS
- Students accepted into the school's Program of Excellence in Music (not Global Studies)
- Remaining applicants in chronological order of receipt of completed application, to the extent that they can be accommodated within the overall number of enrolments

Electronic or Paper?

- From this year Pimlico State High School has moved to a virtual download for enrolment packs.
- All information, forms to be completed and supporting documentation is available on the website, under the enrolment tab and then 'Enrolling at our School.'
- Forms can be completed digitally.
- Please note:
 - Completed enrolment packs still need to be returned to school for checking and submission.
 - Paper enrolment packs are still available for collection from the office.
