Welcome to our online Senior Education and Training Plan information.

To start you on your journey of learning we have provided a range of information to help students and their parents/carers with the transition to Year 11 and 12. The information covers a broad selection of topics specific to selecting appropriate subjects, future pathways and the Queensland Certificate of Education (QCE) or the Queensland Certificate of Individual Achievement. As we progress through the term, information will be uploaded to the website as it becomes available. We will advertise through our Facebook page as well, so make sure you are following!

This term, Year 10 students have been learning about Senior Schooling in their Health and Physical Education classes. They have had guest speakers from TAFE and JCU and students will, for the first time, hear from all departments about the subjects they offer, the types of assessment and potential pathways. PowerPoint presentations will be made available on the website after the presentations in Week 5.

Our Subject information night will be held on 25 August on the school premises. More information is available in the first video and as the term progresses instructions will be uploaded for parents and carers to register their interest. It is recommended that you and your child have looked through the Year 11 & 12 Subject Selection Handbook prior to this night as there is a lot of information. Please take note of the pre-requisites for some of the subjects.

SET Plan interviews must be booked. We are finalising the information for the interviews and closer to the time (2 September, 2020) information will be provided around how to book and what the process looks like. There is a limited time frame as they need to be completed prior to the September holidays (19 September, 2020).

The files on this webpage have been numbered to start with the introductory information and then, as new files are added, they will be below the previous documents.

If you have any questions regarding the information already on the website please email to careers@pimlicoshs.eq.edu.au.

Debbie Robinson

Senior Schooling Deputy Principal | Pimlico State High School
